INTERNATIONAL NETWORK OF BASIN ORGANIZATIONS
RED INTERNACIONAL DES ORGANISMOS DE CUENCA

2019	• Lahti, Finland • June 17-19 • Workshop on the integration of NbS in theWFD Programs of measures
2020	• Special on line edition • Workshop on New CAP and Water Policies
2021	• Malta • December 8-10 • Workshop on digital innovation and new technologies applied to RB management
2022	• Annecy, France • September 26-30 • Workshop on biodiversity preservation and restoration standards, integration in RBMP
2023	• ***Announcement during the closing session!***
2024	• Within INBO World General Assembly – Special Europe-INBO event ? • Bordeaux, October
2025	• *Call for applications is open !*

Contributions and comments welcome on content and format!
Joint events to be considered ?

A **co-funded partnership** under Horizon Europe

RÉSEAU INTERNATIONAL DES ORGANISMES DE BASSIN
INTERNATIONAL NETWORK OF BASIN ORGANIZATIONS
RED INTERNACIONAL DES ORGANISMOS DE CUENCA

- National/regional research funders, policy makers, research and economic actors
- 79 partners
  - 23 EU MS + 8 non-EU countries

Category	Number of partners
R&I ministries / agencies	34
Sectoral ministries /agencies	13
Local authorities	3
EU networks	3
National/regional networks	8
Research Performing Organisations	18

- From 2022 to 2029 and beyond
  - Launch: 1st June 2022
  - Some activities may last until 2032

Vision

- Systemic transformations across the water research and innovation pipeline, fostering the matchmaking between problem owners and solution providers
- Ensuring water security for all in the long term

EUROPE-INBO and INBO involvement ?

- Identify research and innovation needs in support of implementing selected water policies and legislations

  - Clarify the short/medium/long term policy expectations,
  - Identify and introduce recent innovations and applications
  - Pinpoint the policy/legislation targets that the identified technologies can address.

- Give your point of view as practitioners through questionnaires, online meetings, side-events…

2019-2024

Promotion of water management at basin scale through structured basin organizations, with proper governance, competencies and knowledge, as well as sustainable financial mechanisms for IWRM

7 Priorities

1	2	3	4	5	6	7
Water Information Systems	Climate Change Adaptation	Effective governance	Interaction with other sectors and environment	Strenghtening basins/cities dialogue	Citizen involvment	Partnerships with other networks

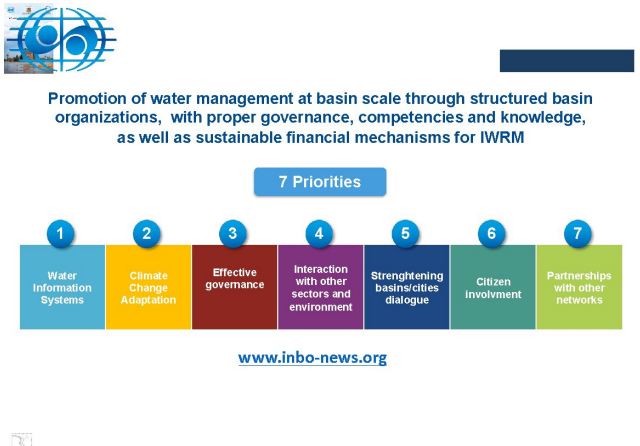
Preparation of 2025-2027 Work program

RÉSEAU INTERNATIONAL DES ORGANISMES DE BASSIN
INTERNATIONAL NETWORK OF BASIN ORGANIZATIONS
RED INTERNACIONAL DES ORGANISMOS DE CUENCA



- Survey to be launched before the end of 2022
  - Priority topics
  - Format of INBO events
  - Product/services/Partnerships
  - Advocacy priorities
- Program to be adopted during next World General Assembly, Bordeaux, October 2024

Comments? Expectations?

Coming soon

Next issue of INBO Newsletter: contributions welcome, especially on **one of the following themes**:

- **Governance** : participatory and intersectoral management, legal and institutional frameworks, public policies...,
- **Financing** : the "user pays" and "polluter pays" principles, the role of States, local authorities, citizens and donors, water prices..., **(we generally lack contributions on this theme, and we therefore strongly encourage you to submit article on this issue)**,
- **Knowledge** : data collection and processing, qualitative and quantitative monitoring network, remote sensing and satellite, warning systems, information system, training...,
- **Planning** : inventory/diagnosis of water resources, identification of priorities, development and implementation of basin strategies and plans, etc.

Before October 7th !

The Water and Nature Declaration

No water security without ecological security
No ecological security without water security

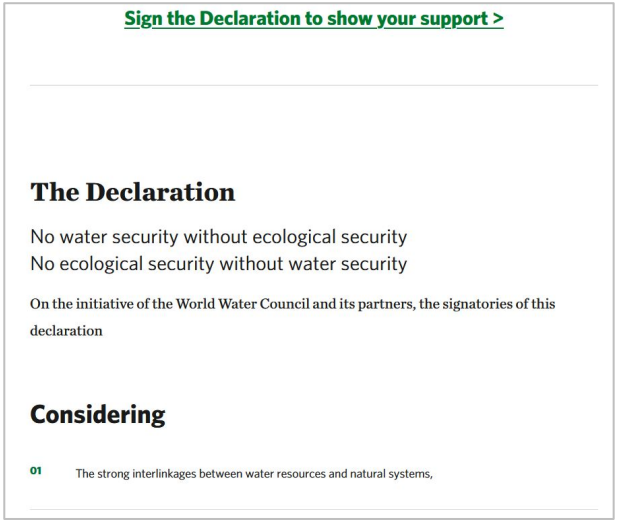
A virtuous cycle exists between the integrity of our shared water resources and the health of the planet's natural systems. Without each other, the two cannot exist. Public policies dedicated to improving water security and those focused on ecological security, therefore,



Sign the Declaration to show your support >

The Declaration

No water security without ecological security
No ecological security without water security

On the initiative of the World Water Council and its partners, the signatories of this declaration

Considering

01 The strong interlinkages between water resources and natural systems,

The Europe-INBO Group

The "EUROPE-INBO" group of basin organizations for the implementation of the Water Framework Directive was **created in Valencia, Spain, in November 2003;** it gathers European member organizations and observers from INBO.

… see you next year in Valencia !
