

COP23 – Invitation to Water and climate events – Thursday 9th November – Pavillon of France, Bonn Zone

INVITATION

As part of [the United Nations Climate Change Conference \(COP23\)](#), in Bonn, and in addition to the [Water Action day](#) organized Friday 10th November in the Global Climate Action Campus (GCA) of the “Bonn Zone”, we invite all relevant stakeholders interested in water and adaptation to climate change to participate in the following events, organized on Thursday 9th November:

- [“International cooperation of France in the field of water: Basin management for adaptation to climate change”](#) : 10:30-12:00
- [“Nature-based solutions for water and adaptation to climate change”](#) : 13:00-14:30
- [“Achievements and prospects of the Global Alliances for Water and Climate Incubation Platform \(GAWCIP\)”](#) : 15:00-16:30

A simultaneous translation in French/English will be provided for these events organized in France’s Pavilion in the Bonn Zone [\(as indicated in this map\)](#).

See you at the end of the week, Thursday 9th and Friday 10th November!
