

La Directive Cadre sur l'Eau
La révision de 2019
Les 3ème Plans de Gestion des Bassins
..... et au-delà.....

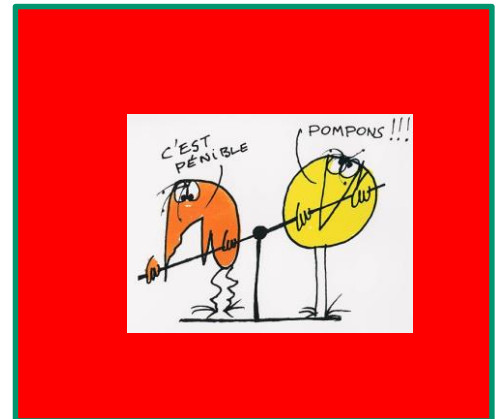

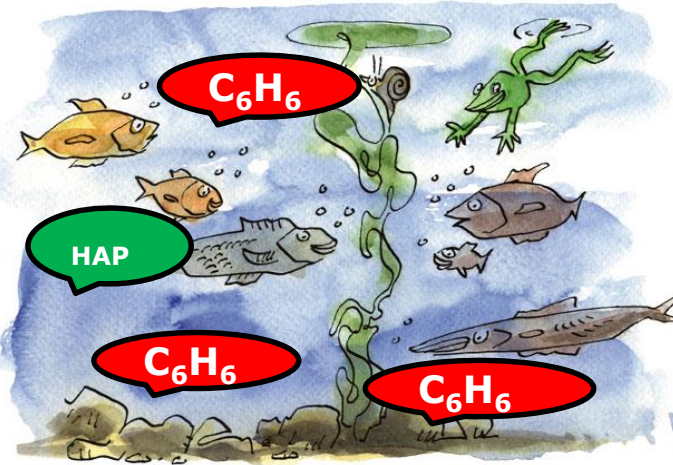

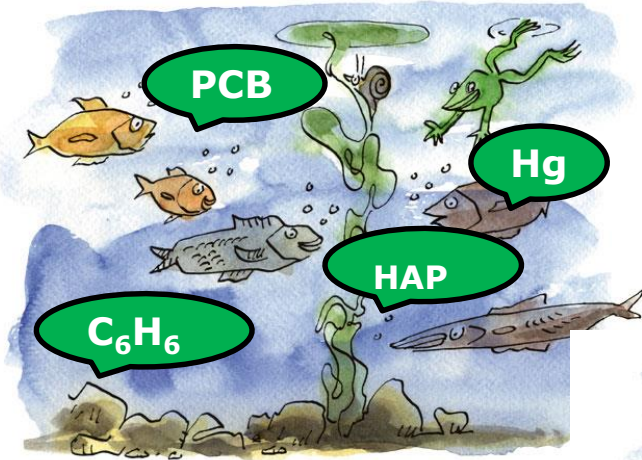

21 septembre 2017

Vision transverse insuffisante des différentes politiques européennes

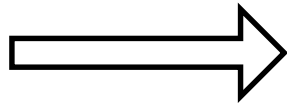

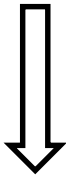

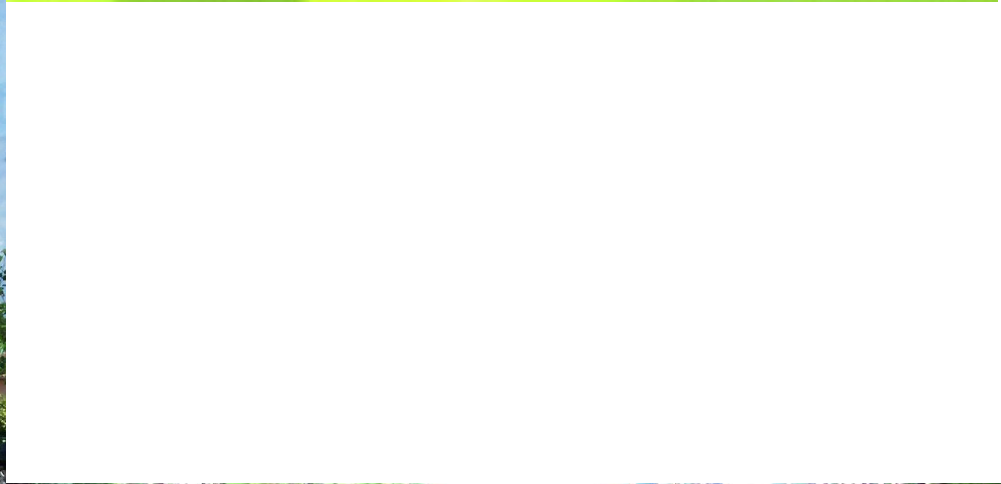

Le principe « One out = all out » est contreproductif

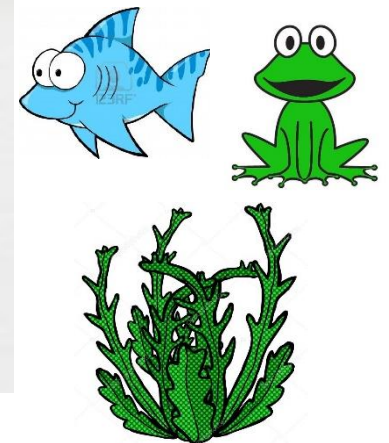

Qu'est ce que la dégradation?

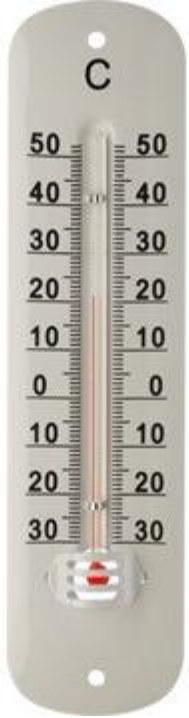

Un changement d'état. Pas le changement d'1 paramètre !

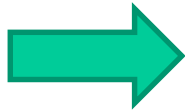

Efficiency of measurements : the cost/benefit link

De la nécessaire constance des outils de mesure

2000

2013

~~Problem~~
= Solution

Le facteur Temps
